ABOUT ME

UI/UX Designer focused on creating user-centered digital experiences across mobile applications, web platforms, and design systems. Experienced in UX research, interaction design, wireframing, prototyping, and product thinking. Passionate about solving complex user problems through intuitive and scalable design solutions.

EXPERIENCE

UI/UX Design Intern Dec 2025 – Apr 2026
Ashutec Solutions Pvt. Ltd.

- Assisted in UI/UX design projects, creating high-fidelity wireframes and interactive prototypes.
- Worked on user-centered design solutions based on direct user feedback and research data.
- Collaborated with cross-functional development teams for successful design handoffs.
